A LETTER FROM ALL SAINTS'

Good day to you my dear friends!

It has been said once or twice, that you should never talk about religion or politics. Well... what can I say at this challenging time in our country's history.

Perhaps we should talk about the weather?! It has been rather wet lately, don't you think!

But seriously, as I write this piece for the magazine, I am being bombarded with news headlines concerning a potential Brexit deal and how we will be coming out of the EU on the 31st October. By the time you read this piece, we will either be just about to leave or would have just done so.

Many commentators have noted that although we will hopefully be leaving with a deal, the real deal will be how we form a new relationship with our closest trading partners within the EU and then with the rest of the world. This will be the hard test for all concerned.

And so it will be within our divided country. How we heal a land of division after some intense confrontational arguments will be a real test for all of us to deal with.

As I've said many times before, I feel truly blessed in as much as I see the best in all people. Of course people make mistakes and no one is an exception to that, but we often make our decisions based upon our previous experiences and therefore we can all be prone to not seeing the consequences of our actions before it's too late.

But if there is one thing I am certain of, is that people do not make decisions based solely upon their intent to cause upset or pain. And when I adopt this view with regard to the referendum, it helps me to envisage a more harmonious future for our land.

Whether people voted to remain within the EU or to leave it, I am sure the vast majority of folk based their decision on a positive image of the United Kingdom for the future. I don't believe that people thought; how can I inflict a lot of chaos on the people of the UK.

And if we are to heal the wounds of such a divisive referendum and the subsequent debate then by holding views similar to that, we will begin to heal those divisions and bring about a degree of harmony to our community and indeed the whole country.

The power to heal is within our control, the power to see the best in one another, rather than the worst, is in our control and therefore the power to create harmony is within our grasp.

When we view one another through the eyes that God views us all with, we see the world differently. We see the joy that envelopes a situation, we see the beauty that lies within each individual but we also see the pain that rejection and hostility can bring. And as we are all a part of God's creation, I believe it is within our DNA to want to bring about peace and harmony rather than division and fear.

History will record these past few years as some of the most turbulent and divisive times in our history but my prayer is that history will record the years ahead as times of harmony between each of us. When we adopt a more reconciliatory tone and see one another as individuals and no longer as adversaries who deserve to be challenged. But only we can begin that debate and change the divisive rhetorical tone that has marked these past few years.

So, my prayer for us all, as we read this article and then as we move forward into the future, is that we will see the best in one another and no longer see a potential enemy who deserves to be challenged. And that this divided country will heal the wounds of its past and will face the future with optimism and hope.

With every blessing,
Rev'd Steve.

Dangerous Parking, Gurnard School.

I have received calls concerning traffic cones in Baring Road. I'm told that residents
have undertaken this to prevent contractors from the new Dottens development and
Gurnard School blocking driveways. In addition, I continue to receive complaints
regarding parents at school collection/ drop-off times obstructing drives. If you are
experiencing problems please contact parking.services@iow.gov.uk. Please note it is
unlawful to position cones on the public highway without permission.
At the time of writing, the new Cowes Traffic Parking Order is due to go live
November/ December.

St Mary's Roundabout.

Work commenced on Phase 1 of this 15 month project.
Following my concerns and requests, the IW Council did eventually agree to a hold a
public information event. This was due to take place on 17th October at Medina
Theatre. In the meantime, updates can be found at: [http://

Flu Jabs: News for Cowes Medical Centre Patients.

Flu vaccinations are free for over 65's, patients with long term conditions, if you are
pregnant, or a carer.
Flu Jabs can be provided during a consultation, by booking an appointment on
294902, or for residents signed up for online services at cowesmedicalcentre.com. It

is best for appointments to be booked before the **end of November**. It is easy to do, as there is no waiting in a queue.

Brexit.

Following another request for updates, the IW Council has now created a link providing feedback to on Brexit and its mysteries?!

Please visit: <https://www.iow.gov.uk/council/OtherServices/Brexit/Brexit>

Gurnard/ Cowes Seafront.

Beach Steps: Beach Steps required an extra clean last month, following extra algae building up during our indian summer.

Fly Tipping and Rubbish:

This continues to be a concern, with incidents of rubbish being reported to Sam our Environment Officer. Of concern is the volume of household rubbish and rubbish from holiday lets/ second homes. If you cannot easily access the emptying of rubbish on the day of collection, please apply for the collection plus at:

<https://www.iow.gov.uk/news/Collection-Plus-service-available>

Egypt Light:

A request has been made to 'look after' the Egypt Light. If you have an interest in Egypt Light, or know of its history, and who may have jurisdiction over the structure, please let me know.

Dog Fouling.

A certain dog has been regularly seen fouling. Following identification, action has been taken. Many thanks to residents for reporting this!

Dust Storm over Magdalen Crescent.

Following grass being cut in dry conditions at the IW Community Club, I received complaints from Magdalen Crescent residents. Learning from this incident, the club is devastatingly apologetic.

Telecom Cabinets.

In response to the popping-up of White Telecom Cabinets across the Island, I am advised that darker cabinets will be positioned in Conservation Areas, where this has caused an adverse impact. Many thanks to Wightfibre for their support on this!

Garden Waste.

With the purchase of a new vehicle, the waiting list to subscribe for the Garden Waste service is growing. If interested subscribing to the 2020/2021 service, please email waste.contract@iow.gov.uk and request to be added to the waiting list.

Details can be found at: <https://www.iow.gov.uk/Residents/Waste-and-Recycling/Household-Waste-and-Recycling-Collection/Green-Garden-Waste>

Planning Updates.

Bucklers View. This downscaled application was approved with conditions to address concerns over construction traffic, screening and pedestrian enhancements.

Westview Road. An application to permit residential use west of Rew Street was refused by Planning Officers.

I attended a conference called to discuss housing and planning by the IW Association of Local Councils. Challenging IW Council's Housing Figures (at 675 new homes per year) Bob Seely MP, supported prioritising 1 and 2 bedroomed units as priority to address housing need. Bob highlighted that by encouraging people to retire to the Island into new 3,4 and 5 bedroomed units, was not financially sustainable and therefore the Island Planning Strategy, could bankrupt the Island in the long term. In response, Planning Officers highlighted that larger homes, are economically attractive to develop and as a matter of course this allowed more contributions to be made available for starter homes.

Cowes Parking 200 for 2020.

Please let me know of locations where new parking spaces can be accessed for visitors and residents.

Following feedback in the last month, three spaces for the former recycling bins were created at Cross Street Car Park, with more previously being identified within the Cowes Traffic Order.

Highways Issues.

Overgrown hedges have been reported, and action taken at **Cockleton Lane**, **Tuttons Hill** and **Winding Way**.

Following an initial delay, a broken manhole cover has been repaired and made safe in **Park Road**.

Event signage, advertising and traffic cones has been reported and removed from **Queens Road**.

Abandoned vehicles were reported with action taken in **Princes Street** and **Moorgreen Road**.

I've reported incidents of falls that have taken place in **Queens Road** and **St Mary's Road**.

At Full Council, it was reported that nearing the end of Island Roads core investment period 463 out of 818 miles of carriageways had been resurfaced. From this, questions were raised about initial claims and expectations made of the 25 year project, and concerns over when the remaining resurfacing will conclude.

GURNARD BAY W.I

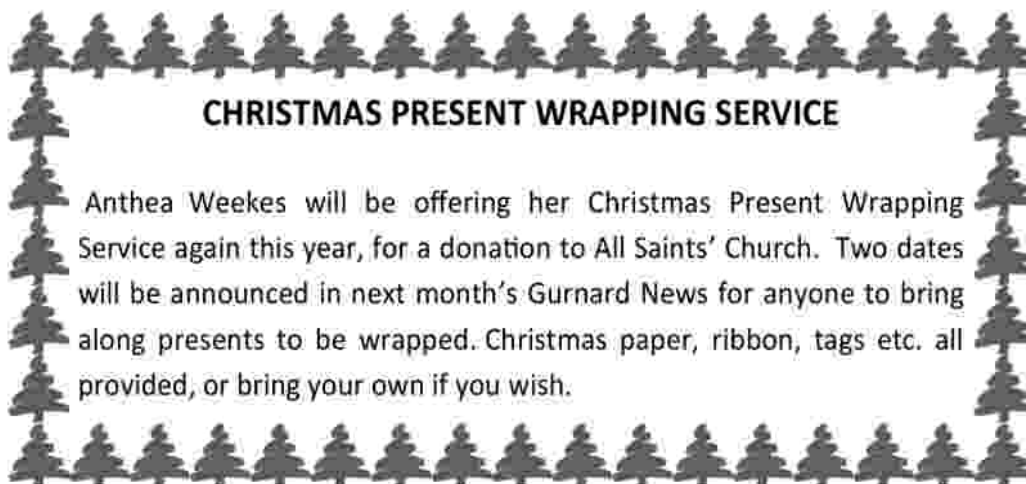

Gurnard Bay WI recently held their autumn Village Lunch. Members, family and friends enjoyed a salad and quiche meal prepared by June Butcher and her team followed by a selection of desserts made by

Committee members. Proceeds from the lunch and a raffle will go to IW Young Carers, our charity for this year.

The speakers for our October meeting were Gillian and Simon from Amey who told us about re-cycling on the Island. Re-cycling is now a big and important part of all our lives and Simon answered many of our queries, including the all important one of "which bin does this go in??" It was quite an eye opener to see where over 50% of our refuse goes for re-cycling.

We held a "swishing event" during the evening where Members brought accessories such as scarves, bags and jewellery to be exchanged amongst the group. Our next meeting on November 20th will be the AGM. Following the business part of the meeting we shall be holding a Scratch Raffle – some light relief and a bit of fun to end the evening!"

CHRISTMAS PRESENT WRAPPING SERVICE

Anthea Weekes will be offering her Christmas Present Wrapping Service again this year, for a donation to All Saints' Church. Two dates will be announced in next month's Gurnard News for anyone to bring along presents to be wrapped. Christmas paper, ribbon, tags etc. all provided, or bring your own if you wish.

The Friends of Cowes Medical Centre

The Friends were set up in 1995 to support the work of Cowes Medical Centre by providing extra facilities and equipment for the treatment and comfort of patients. Over the years we have raised money and used some generous legacies to purchase very many items from simple ear thermometers to important equipment such as

ambulatory blood pressure machines. It all helps to make life less stressful for patients and all the very busy staff. Recently we helped the Paediatric Nurse Practitioner to make her room child-friendly with a bead toy, big Winnie the Pooh pictures and a colourful clock. Last year we funded the repainting of the waiting room walls and corridors, featuring contrasting colours to help with way-finding as part of the Age Friendly / Disability Initiative. This will soon be followed by new signage and upholstery. Shortly we shall be sending the 2019 Newsletter to our members and encouraging them to renew their subscriptions for next year. The fee is still only £10. If you would like to become one of our supporters please find a Membership Form in the waiting room (on the wall just behind the drinking water dispenser) or get in touch with me on email rosemarystewart@icloud.com or tel 292107. PORTLAND
INN**

ALWAYS A WARM WELCOME

01983 243300

The Portland Inn located in the heart of Gurnard Village, the pub has had a complete refurbishment now offering contemporary and comfortable surroundings for both drinkers & diners. The publicans Mark & Kim bring a passion to create a great local pub with a focus on serving superb food and drinks in a warm, welcoming atmosphere that you should expect from a village pub.

The Portland will offer a great selection of cask ales, beers, craft beers, ciders and selection of wines which will complement our menu

Join us for something to eat, well-cooked pub food is where we begin, with the addition of our Chef's daily specials keeping our menu interesting.

Our menu is about seasonality and great taste, with meals produced on the premises using as much local and seasonal produce as possible. Our talented Head Chef James Wooler builds his menus to include carefully sourced ingredients from Isle of Wight suppliers, his Chefs specials will change daily dependant on availability.

Many of our dishes have a lite bite option for smaller appetites.

We offer a private dining area that seats up to 20, whether its for a large group to eat from the menu or a special celebration our Head Chef will tailor a menu to suit your tastes and occasion.

We are a Dog friendly pub so you are welcome to bring in your well behaved four legged friends.

Dogs are allowed in the bar areas and must be kept on a lead at all times.

Get them to sniff out the treat jar for a doggie biscuit.
