A LETTER FROM ALL SAINTS'

HELLO THERE!

On a recent visit to Cowes library our boys chatted to Adam, one of the fab team of librarians. As he was checking out their latest pile of books, he asked them a question 'Would you rather have sausage fingers or jelly toes?'. I laughed out loud, but my boys looked seriously at him. 'What was the choice again?' one of them said, so Adam repeated the question. Both boys thought long and hard, weighed up pros and cons for both and then came to the conclusion 'sausage fingers'.... which I agreed with!

This prompted the beginning of a very long and highly entertaining afternoon for all of us as we gave one another choices to pick from: I banned the 'who do you prefer Mum or Dad/Jacob or Samuel' type questions (!!!) but I think we can safely say we all learnt a lot from one another and our preferences. However, I hit the big one at teatime when I asked, 'What would you rather Christmas Presents without family or Family Christmas without presents?'

I am proud and delighted to say that they didn't think too long before saying 'Family Christmas without presents': if only I was brave enough to carry out that choice – I would certainly appreciate the extra time not shopping would give me! But think about it, how much do we spend time on things which we think are vital and yet are actually not that important in the long run?

A congregation member came up to me last week and told me how sad she was walking up and down the local high street, seeing all the Christmas decorations and displays but not once seeing a 'Baby Jesus' or anything slightly 'Nativity-esk' in the shop windows. As a result, I have asked some awesome knitters I know, congregation as well as community members, to knit some angels and hopefully you will be seeing them appear around the village throughout the month. People will then be encouraged to drop them off in the church close to Christmas so we can truly make a multitude of angels as we, once again, hear the story of the first Christmas!

Now I want you to know that this is not your local vicar doing a publicity stunt to try and get more people in her church, this is her simply trying to bring us back to the true meaning of Christmas and to spread the **GOOD NEWS** the angels brought to the shepherds all those years ago. That message was one of hope, of love, of joy, of peace. Who is not up for such a message now?

The world has had too many natural disasters recently, our own country suffering the horrid flooding in Yorkshire last month as well as tragic heartache such as those dozens of people dying in the back of a refrigeration van in Kent in October.

.By the time you are reading this we would have been overwhelmed with Party Political broadcasts and coverage for the General Election that takes place later this month. We need some joy in our lives, we need some love, we need some hope and definitely the world needs some peace. And whilst the decorations are lovely, I am sure you will agree with me that we all need something that lasts a bit more than a month or so.

I get a great sense of love and joy, and especially hope and peace through my faith and it is always wonderful when I hear others say the same. But I want **all of us**, every one of your lovely readers to have similar feelings. So where can you get them if you do not have any faith? My response would be - through family, with friends, around our village. There are various opportunities to get some love etc from the events and groups that happen in our neighbourhood and the people we live amongst as well as those who love and care for us. You may not have recently gone to any groups in our area or popped into the local shops and cafes but I can assure you – if you do, you will find a lot of love and hope: we are so blessed in our community. So, try and find a way to lift your spirits this month - call up old friends if you cannot get out, meet up for a coffee with someone if you can. Focus on the good things in your life, on the things that are important, and it may enable you to get some more positivity in your life which may not have recently been there during these cold, damp and dark days. And working on this is important for our own sanity and well-being: we need to surround ourselves in these long-lasting positive feelings and not just temporary tinsel this year, as it will ensure we go into 2020 in the best shape possible.

So this year don't panic about that special candle for the centre of your table, the matching cutlery, the perfectly dressed tree.....focus on love, joy, hope and peace and then you will be able to have a truly Blessed Christmas that you all so richly deserve and the one that Jesus came to bring all those year ago.

With love and blessings for this Christmas Season

Rev Amanda

P.S. If you would like to join in the 'Modern Day Multitude of Angels' challenge and knit an angel to display in your window, drop me an email (amandacollinson01@gmail.com) and I will send you a pattern!

Planning

Bucklers View.

Discussions are ongoing regarding proposals to extend Bucklers View. Myself, neighbours and Gurnard Parish Council felt that although the size, scale and dominance had been downscaled, this had not gone far enough to reduce its visual impact at the gateway to the village of Gurnard.

Albert Road.

Proposals to build four flats on the plot of a former bungalow is causing concern to residents. On this, Planning Officers are liaising with the applicants agent.

I have requested both these applications are considered by the IW Council's Planning Committee.

Cowes Traffic Order.

Earlier than anticipated, new orders are in-situ at **Baring Road, Woodvale Road and Crossfield Avenue.**

Whilst recognising restrictions can frustrate some parents dropping off and

collecting children, the reason for their need was to improve the safety of children following traffic incidents outside the school.

In response to free up parking space I have again requested that contractors working at **Gurnard Primary School** and The Dottens to adhere in full to the respective Construction Management Plans.

St. Mary's Junction.

I attended the public information evening which I requested, which took place at Medina Theatre.

Proposals for Phase 3 and Phase 4, taking place between 4th November and 20th December include:

Forest Road two-way.

Outside lane on approach to St Mary's roundabout from Cowes closed.

Outside lane of dual carriageway northbound (towards Cowes) closed.

Inside lane of St Mary's roundabout closed.

Right-hand lane from B&Q roundabout to St Mary's roundabout closed.

Police Meeting.

With other Councillors, I attended a meeting with the police. Items discussed included police resources, traffic enforcement, non-visible policing and how technology supports the constabulary.

One issue raised was the importance of on-line reporting of offences to the police.

For details, please visit: <https://www.hampshire.police.uk/>

New volunteers are needed to for Community Speedwatch to train and assist monitoring speeding traffic. Please contact Cllr. Lora Peacey Wilcox for details at 01983 645765 or email lora08@sky.com

Winter Gritting Routes.

Island-wide there has been a reduced winter gritting service. This largely affects rural areas, with the Newbridge, Wellow and Thorley road and Military Road no longer gritted during wintery conditions.

With imminent works at St Mary's Roundabout the road from Pallance Road to Shalfleet and Whitehouse Road will now be gritted due to the uplift of vehicles using this route to and from Newport.

Details can be found at: <http://www.islandroads.com/27-winter-service-.html>

Floodlighting, Cowes Enterprise College.

I have put two households in touch with Cowes Enterprise College concerned about the floodlighting spillage onto properties in Ward Avenue and Baring Road.

I am hopeful with the intervention of floodlighting specialists that disturbance will be restricted.

Heat or Eat? Support from The Footprint Trust.

The Footprint Trust offers free home visits to look for ways in which to reduce fuel and water costs. In some cases The Footprint Trust can provide new cookers, fridges and washing machines to those in greatest need. The Trust, and advice offered can save households £100's. For details visit: <http://www.footprint-trust.co.uk/projects.html> or call 01983 822282 heck you are on the best energy deal. Ask about the Warm Home DiscountGo onto the Priority Service Register if you have a vulnerable person in your home.

Keep heating in your Living Space between 18C and 21C Lag your water pipes.

Call 0800 027 0800 and ask about the Watersure Tariff if you have high water use due to a disability. Make sure your torch is charged, and you have spare batteries. Wrap up warm. Wear thick socks indoors. Keep tinned and non-perishable goods in case extreme weather prevents you from shopping.

Make sure you have enough medicine; Don't leave re-ordering to the last minute

Keep important phone numbers on your fridge.

MONEY SAVING TIPS.

£30 per person could be saved by taking a four minute shower

£35 could be saved by having your home draught-proofed.

£80 per degree could be saved by turning down your thermostat

£150 could be saved by having home cavity wall insulated.

£170 could be saved by installing loft insulation in your home.

Details on the Warm Up Wight Scheme offering free loft and cavity wall insulation can be found by calling The Footprint Trust on 01983 822282

Waste and Recycling.

One of the most common questions that I am asked is about is what items can and cannot be recycled, details can be accessed at: [### **Parking Fines and Penalty Charge Notices.**](https://www.iow.gov.uk/Residents/Environment-Planning-and-Waste/Waste-and-Recycling/Probably easier to remember are those items that cannot be recycled. These are: Nappies, Blister strips, Sweet Wrappers, Sanitary Items. Polystyrene, Contaminated foil/paper, Bubble Wrap, Cold ash, Pet Litter, Cling Film, Ceramic Items, Pet food pouches. Please rinse bottles, tins, food containers and cartons so that they are empty and clean. P.S. You don't need to remove labels. All these are recyclable on the Island, whatever it says on the packaging!</p>
</div>
<div data-bbox=)

I receive a number of calls concerning challenging parking fines. What I always advise residents that to challenge the issuing of a ticket, it needs to be demonstrated that a ticket was issued 'unfairly'. There are a number of helpful websites which also support and offer advice. One's which I regularly use are Citizens Advice <https://www.citizensadvice.org.uk/law-and-courts/parking-tickets/> Call:03444111444 and MoneySaving Expert <https://www.moneysavingexpert.com/reclaim/private-parking-tickets/>

GURNARD PARISH COUNCIL REPORT

At November's meeting of the Parish Council, Mrs. Pat Clayton was co-opted on to the Parish Council. She has served on the Parish Council twice before and Councillors look forward to working with her again.

Councillors will be looking at next year's budget priorities and precept this month to be agreed at December's meeting

New design plans have been received to refurbish the toilets on the Green which are due to be agreed next week following a site meeting between councillors and three Danfo (UK) Ltd representatives. The whole build will take between 6-8 weeks and will be completed by the end of April 2020.

Old School Meadow is being well used. The broken guttering on the mud kitchen will be fixed following reports that water hasn't been collecting as usual, and the Old School Meadow Working Group will be meeting shortly to review the issue of cars parking in the meadow to ensure the safety of users.

Gurnard in Bloom are continuing to update the flower boxes in the village. They are always looking for volunteers, if you are able to help in anyway please get in touch.

Police Quarterly Partnership meetings have started which Councillors have attended. Concerns about excessive speeding were raised by all parishes and it is hoped to rejuvenate 'Speedwatch' as a means to combat this issue and develop intelligence. Newport Parish Council have purchased new 'Speedwatch' equipment and have agreed that this can be lent out when not in use.

The Parish Council has recently signed up to the Age Friendly Charter with a commitment that they will ensure the needs of the elderly are considered when changes are made to the community, and that they elect a councillor to represent the needs of the elderly working towards improving social inclusion.

The Parish Council is looking ahead to VE Day 75 Celebrations for next May 8th 2020 and hoping to join together with All Saints Church in a Nation's Toast to the Heroes of WW2 Ceremony.

It is good to see Island Roads have cut the height of the vegetation back outside of Bucklers View and will also be doing the section between Gurnard Press and the Village Hall to prevent people parking further into the carriageway. Councillors reported dead branches in this area which need felling which will be

Reported to Island Roads. Complaints have also been received about various parked vehicles causing obstruction on local roads, and that water is running down Cockleton Lane again which Island Roads are looking into.

PARISH COUNCIL MEETINGS START AT 6PM.

The next full Parish Council meeting will be at 6.00 pm on Wednesday 11 December 2019. Residents are welcome to attend all meetings, which are usually held at the Gurnard Village Hall, Westbrook Lane. Please check the Parish Council notice board in Worsley Road, and/or the Parish Council's website for meeting confirmation and the agenda www.gurnardpc.co.uk.

QUESTIONS

If you have any queries that you feel that the Parish Council could help with, please contact the Clerk to the Parish Council, Mrs. Katie Riley, telephone 07305 013718 or email: gurnardparishcouncil@gmail.com.

GURNARD BAY W.I

Gurnard Bay WI held it's Annual meeting following general business at the November meeting. Joan Finch, our WI Advisor, took the AGM in which a new committee was elected. Cynthia Ash, retiring

President, handed over the role to Judith Westbrook, who was chosen as the new President for the coming year. A number of our Members belong to Spinney Quilters, a local group, who displayed the quilt that they had made this year. Following refreshments, Members enjoyed a little light relief when a snatch raffle was held. Nine lucky winners kept the prize they were holding when the tickets ran out. All good fun!! "
