A LETTER FROM ALL SAINTS'

HELLO THERE!

So, it is June and we find ourselves half way through the year.... however it certainly doesn't feel like that to me, I don't know about you?! And to be honest the weather recently has not been convincing me that we are in the season of Spring let alone Summer. And yet meteorologically that is where we find ourselves now - in Summer and on the 21st of June it will be 'midsummer' or the Summer Solstice.

It perhaps may not be the day of partying and freedom from COVID restrictions that we have all hoped and anticipated it would be (well that is what the message is at the time of me writing this letter) but it will still be an important day, for the world if not the COVID roadmap.....

For us in the UK this is the day when the North pole has the maximum tilt towards the sun. There are many historic events that occur around this special day. Stonehenge is famous around the world for Druids and Pagans coming to witness the perfectly aligned sunrise through the stones, but around our own country certain areas are reviving Summer Solstice processions and plays, while bonfires are still typical in Cornwall and Ireland. Spain also sees many Bonfires and firework displays around the country, whilst Austria comes together to light hundreds of mountain fires to mark this magical time. Latvia sees this special annual event typically accompanied by plenty of parties, cheese, and beer, as well as some possibly ill-advised leaping over the bonfires that are kept burning all night long. Iceland, on the other hand, celebrates their 21 hours of daylight by throwing a huge three-day party!!

I always dwell on it and remind myself that the world is on a moveable axis and not like the globe I used to have when I was a young girl which was fixed upright. At least nowadays they have them positioned at an angle. More significantly though, I reflect that the world 'spins' not just on a physical axis but also on many, many others – we are not just in the Northern Hemisphere on an axis.

We have had the axis of colour and faith recently brought to the front of our minds with the Black Lives Matter campaign and the conflict in Israel and Palestine. There is the axis of the developed countries and developing countries - where there is huge difference between those countries who have medical resources, the number of hospital beds and vaccinations for all and those who do not.

On a smaller scale there is the axis of the poor and affluent in our own country

with the government setting out a new initiative last month to 'Level Up' the country with the focus on improving living standards, investing in essential public services, and increasing access to opportunities so people can thrive no matter where they live. If this works the axis, or perhaps the spectrum will be shortened, which can only be a good thing for every one .

There are so many different types of axes in our lives, some where we always remain fixed in one point, like our race, but others where we move up or down the axis be it health or age. So, which one of these particular lines is affecting you the most at the moment? Is it the old and young axis where you are moving along the line quicker than you would like? The healthy versus the unwell one? The married and single/widowed one? The list is endless.....

I know that in many of my struggles through my life I have tried to get to the middle of the 'line' that I was dealing with, becoming more in balance, not staying at either extreme where you feel out of control or 'off kilter' hoping that will help me cope. Similarly, when life is going along normally, we all want to blend in, to have a gentle ride, to experience peace and comfort and again that may mean a desire to be 'central'. But we must realise that in the central comfortable areas **'Great things never come from comfort zones.'**

Comfort zones are where your unrealized dreams are buried. Comfort zones are the enemies of achievement and inspiration. Only when you step outside your comfort zone can you truly reach your potential.

I know this may all sound like inspirational jargon to you, but I think of Corrie and her sister Betsie Ten Boom, two middle aged women who hid Jews in their home during the Second World War, saving hundreds of families; Rosa Parks who refused to stand up on a bus; or simply the child or adult who stands up to a bully at school or work and says enough is enough. They all stepped out of their comfort zones, from their safety and security and by doing so made the world a better place.

So, I want you to take heart – the ends of the axis are sometimes the exciting places, the place where great things happen or where you reach your potential. And even if you are there not through your own doing and are struggling, know that you are not alone – remember when things are the darkest, Gods shines his light the brightest!

With love, blessings and legal hugs to you all!!

Rev Amanda

GURNARD PARISH COUNCIL REPORT

Vacancies

We have two remaining vacancies on Gurnard Parish Council following the election in May. If you are interested in becoming a Parish Councillor, or just interested to see what goes on, please come along and observe one of our meetings, you would be very welcome.

Access to the plinth at the bottom of Gurnard Green

We are continuing discussions with the Isle of Wight Council's planning department about lowering the kerb and creating a footpath over the Green to the new picnic tables and seating area on the plinth to create better access for everyone.

Old School Meadow

A very big thank you to local resident Mr. Jim Bustin for giving his time freely in repairing the 6 picnic table seats at Old School Meadow, a really professional job and much appreciated.

Following several reports of antisocial behaviour recently we would be grateful if you could please inform the Clerk of any further issues that might arise.

We are keen to canvas your opinion on an idea put forward to the Parish Council about creating a dog free zone at the meadow. You will find a short survey in this edition of the Gurnard News and also the Parish Council Website, we are looking forward to hearing your views.

No 32 Bus Service

We have received a report that the community bus service across the Island has suffered a financial loss over the last year due to Covid. The No. 32 bus route however has apparently fared well compared to other routes on the Island, but knowing its value for many local residents, we are seeking further financial information and will support as necessary.

Next Parish Council Meeting

The next full Parish Council meeting will be held in the village hall at 6.30 pm on Wednesday 9th June 2021. There is always an opportunity at the start of the meeting for members of the public to make comments and ask questions. Meeting confirmation and the agenda can be found on the Parish Council notice board on Worsley Road and the Parish Council's website www.gurnardpc.co.uk. If there is anything you feel that the Parish Council could help with, please contact the Clerk

to the Parish Council, Mrs. Katie Riley, telephone 07305 013718 or
email: gurnardparishcouncil@gmail.com

Surgeries.

With the Governments Covid Roadmap evolving from this month I am hopeful that Surgeries will revert back to normal. Because of revised opening hours for venues, when there is more clarity surgeries will be promoted on paulfullercc.blogspot.com and Town Council/ Parish Council noticeboards.

Elections Update.

I feel privileged to be re-elected to serve our community. The final results were confirmed as:

PAUL FULLER	(INDEPENDENT)	1101	(77.4%)	+1.2%
TIM JEFFERYS	(CONSERVATIVE)	208	(14.6%)	-4.9%
JOSH POINTING	(LABOUR)	114	(8.0%)	+3.0%

Thank you to everyone who took the time to vote, listen to candidates and chatted on the doorstep or when leaving the polling station. Please remember, I am here to serve you so don't hesitate to let me know if I can offer support.

Cowes Medical Centre.

I've been working with residents and feeding back issues to Cowes Medical Centre following complaints over the non-response from telephone calls. The Centre has advised me that patient requests have increased at a time when the Centre is providing extra support for covid vaccinations.

With respect to those residents unable to use e-consult, the centre advises: *"Our suggestion would be for patients, or their support, to post a letter through our letter box, and we will respond to that based on the clinical urgency, but in a timely way".*

In the meantime the Practice advises that a new phone system is being installed...

In the meantime, please let me know if you are experiencing difficulties.

Gurnard Pumping Station Works.

A request was made to Southern Water to repaint their **pumping station** on Princes Esplanade and to resolve the odour emitted from the pumping station.

In response, contractors have been on site to replace and upgrade the pipework nearby, following ongoing rag/ textile and fat damage caused by residents inappropriately disposing of items.

It goes without saying, but notwithstanding this Southern Water are appealing to residents to avoid disposing of wet wipes, sanitary towels, cotton buds etc. in the toilet.

With respect to water quality at Gurnard, Southern Water has advised that Water is tested 'at least every week' by the Environment Agency, and has been classified as 'Excellent' for the past four years. Southern Water adds that 'the data does not support any water quality problems in Gurnard, which causes frustration as unfounded rumours will negatively affect business and amenity in the area.

Disabled Bays.

I have received a request from a resident concerning motorists parking in disabled bays. Please note, bays are requested to support residents who find it difficult or painful to walk any distance. For able bodied motorists to use bays when it is unnecessary to do so often will have an adverse impact on residents.

Restart Grants: Support for Local Businesses.

The IW Council are facilitating Government Restart Grants to support small businesses impacted by the Covid pandemic. For details please visit: <https://iow.gov.uk/news/First-businesses-receive-Restart-Grants>

Cowes Community Bus.

Following the recent pandemic and subsequent fall in numbers of passengers using the Community Bus, I understand that the Isle of Wight Community Bus made a financial loss for last year.

With respect to this, I am discussing options with Town and Parish Councils on safeguarding this important lifeline to so many people.

Village Tidy Ups.

Thank you to the 22 residents who volunteered (alongside me!) for Gurnard Parish Council's Big Tidy Up, which took place in April. The following day, a beach clean took place and (supported by Surfers Against Sewage) who targeted the beach between Thorness and Gurnard. Many thanks to Cllr Marie Bugden from Gurnard Parish Council and Alexis Hollis for organising and co-ordinating these events!

Roundhouse junction: Signage for local shops?

Following the reopening of shops and local businesses after Lockdown, I have requested signage at the Roundhouse Junction highlighting 'Village Shops and Pub'. This I am hopeful will encourage motorists driving into Cowes to leave the main road to come into Gurnard.

Gurnard Green.

Notices have been placed on IW Council litter bins on Gurnard Green requesting

residents to please not overfill bins, this follows complaints regarding badgers and foxes emptying and scattering contents across the green and beach.

Planning Applications.

- **Sunnycott Caravan Park, Rew Street.** Extension of 8 units of accommodation: REFUSED
- **63 Solent View Road.** Replacement Dwelling: APPLICATION MODIFIED
- **Land adjacent to the Stables, Woodvale Road.** Proposed Dwelling: REFUSED.
- **The Dottens.** Following a previous refusal, a revised Planning Application is pending

Transport Matters.

- **Gurnard/Cowes Seafront Charges:** I have requested these are put on hold, with a view to scrapping proposals.
- **Escooters:** I have requested a meeting to discuss safety concerns, whilst the bay in Terminus Road was relocated.
- **Highway Vehicle Repairs.** These have been reported to Island Roads, the police and the Council's Community Safety Officer.
- **20's Plenty:** A request has been made to roll out an initiative to slow traffic in the Crossfield Estate and Gurnard. Please let me know your thoughts!
- **Carriageway Resurfacing:** is planned for Moorgreen Road and Rolls Hill in June; Thetis Road and Bellevue Road in October and Church Road, Cowes and Princes Street in November. With reference to this, I have requested **Worsley Road** and **Crossfield Avenue** are given priority and monitored given their omission.
- **Traffic Orders:** These are due to be consulted upon next month. I will report once I know more.

Motor Neurone Disease Support.

The IOW branch of the Motor Neurone Disease (MND) Association was formed in 1996 and is run entirely by volunteers, many of who have personal experience of the disease. Our aim is to provide the best support to people living with MND and their families and carers. We also focus on raising awareness of the disease and the association, and fundraising. For details visit the branch web-site www.mndiw.org.uk

Somewhere to turn when someone dies

Cruse Bereavement Care is a well established national charity. On the Island we have 20 trained bereavement volunteers who can provide confidential, personal support, free of charge.

Once allocated to a Bereavement Volunteer people are offered up to six hour long sessions. During COVID this has been by phone and video-conference. We will be providing support at home as well in the future where this is appropriate.

Everyone deals with grief differently and having a non-judgement, experienced person to listen in confidence can provide great relief and comfort.

Bereavement Volunteers are specifically trained and keep updated throughout the year.

If you, a family member, or a friend have been bereaved and need some support contact Cruse Bereavement Care by phoning 01983 523030 or email IsleofWightBranch@cruse.org.uk.

There is useful information on the national website www.cruse.org.uk and we have a national helpline 0808 8081677.

If you are interested in supporting Cruse Bereavement Care, training as a Bereavement Volunteer, helping with our fundraising activities or being a member of the local committee please contact us using the details above.

**THE
PORTLAND
INN**

ALWAYS A WARM WELCOME

01983 243300

The Portland Inn located in the heart of Gurnard Village, the pub has had a complete refurbishment now offering contemporary and comfortable surroundings for both drinkers & diners. The publicans Mark & Kim bring a passion to create a great local pub with a focus on serving superb food and drinks in a warm, welcoming atmosphere that you should expect from a village pub.

The Portland will offer a great selection of cask ales, beers, craft beers, ciders and selection of wines which will complement our menu

Join us for something to eat, well-cooked pub food is where we begin, with the addition of our Chef's daily specials keeping our menu interesting.

Our menu is about seasonality and great taste, with meals produced on the premises using as much local and seasonal produce as possible. Our talented Head Chef James Wooler builds his menus to include carefully sourced ingredients from Isle of Wight suppliers, his Chefs specials will change daily dependant on availability.

Many of our dishes have a lite bite option for smaller appetites.

We offer a private dining area that seats up to 20, whether its for a large group to eat from the menu or a special celebration our Head Chef will tailor a menu to suit your tastes and occasion.

We are a Dog friendly pub so you are welcome to bring in your well behaved four legged friends.

Dogs are allowed in the bar areas and must be kept on a lead at all times.

Get them to sniff out the treat jar for a doggie biscuit.
