**A LETTER FROM ALL SAINTS'**

Hello there!

Hope you are all well and have had a good summer. It wasn't the greatest of summers in regards to the weather was it, but if we are talking about the Olympics then it was a whole other story!! What a wonderful games Team GB had – so many medals, but more significantly, so many great stories from the athletes.

There was Lauren Price, the first Welsh Boxing gold medallist, taxi driving in between training and supported by her grandfather Derek, who died last year and grandmother, Linda who took her in at three days old. Then there's Eventing Gold Medallist Laura Collett who only eight years ago suffered a freak accident where she fell off her horse and it landed on top of her. It left her blind in one eye, with a punctured lung, lacerated liver, a fractured shoulder and two broken ribs and she was put in an induced coma for several days. Or hockey player Sam Ward who in November 2019 was hit in the face by a ball which caused a crushed retina, fractured eye socket and cracked cheek. Just three months later, he returned to the hockey field with four metal plates and 31 screws in his face and only sight in one eye!!!!

Watching the Olympics has given us an insight to the commitment you must have to reach the Olympics... so I cannot even begin to comprehend how those who nearly died, had a life changing injury or struggled from birth achieved the ultimate sporting goal – and yet all three of ,

them did! They are Olympians. They are heroes. I am humbled and in awe of them. Goodness knows what stories we will hear in the Para-Olympics.....that hadn't begun when I wrote this!!!

Great feats of sportsmanship, amazing stories in spite of injury or loss to life changing inventions: I always think or say 'How on earth did they achieve that?'

Amusingly the quote that is on the front of this magazine came into my mind – **you just need to take the first step!** And these wise words from the great Martin Luther King, Jr are not just for elite sporting men and women but for all of us – whether it is your first step after hip surgery or your first step into school. They are all big steps, significant steps, for whoever is taking them.

Many people of my generation would have recorded our children's first steps - we shout and cheer, we give them a big hug and tell them how amazing they are....and then we show them when they much older and a wry smile appears on their faces. However thinking about it, this 'first step' is the most natural and normal one we ever do in our lives: it is the other times we 'step out', most of which have followed sadness or illness, that we really need the support and encouragement from our family and friends. We have a 'significant' first step this month with our eldest son starting secondary school. I remember when I did the same thing, I had a mixture of emotions – excitement and anxiety and again like walking it is a natural thing but when

you have never done them before they are quite significant!

And this is all because one step, however small can still be huge - from Neil Armstrong's small step off the ladder of the Apollo, standing to make a speech at a wedding, the first visit into a chemo ward for treatment, the walk into a new job or even the first step out as a widow or widower or simply just your door after COVID, .....in each of these situations we are stepping out of our comfort zone and making ourselves vulnerable, but as someone once told me to make yourself vulnerable is to show your strength.

The Bible has many wonderful quotes which help me when I am feeling vulnerable. One of my most favourites is from Isaiah where God reassures the worried to 'Do not be afraid, for I am with you'. Perhaps more well known is the Footprints poem, which has the same sentiments - I am sure many of you know it, but for those unaware it details a man who sees his life as a set of footprints in the sand with God's prints alongside his but finding that during his times of trial there was only one set of footprints. Reflecting how God reassured him that he would never be alone, he asked God why he left him during his most difficult times.....'I didn't' said God, 'It was during these times I was carrying you.'

Whether we believe in God or not, we all need to support one another, encourage one another, enable one another each and every day as we may be unconsciously helping

people take their own new, big steps in their journey of life.....Be that a hand to help, arms of comfort, a companion in joy and give everyone we live with, work with, share our lives with, the confidence that whatever their goal, be it to win an Olympic Gold Medal or just go to that community group they have been wanting to for ages, they are not alone and whatever their goal or need they will achieve it.

Wishing you a brave and exciting month, especially those of you who are stepping out on a new adventure or stage of your life!

**Dog Exclusion Order: Gurnard Beach.**

Please note that dogs are restricted from using the beach between the slipway at Shore Road and the Water Fountain to the east of the pumping station.

This follows confusion from dog owners following last year's consultation on Public Spaces Protection Orders. The map can be found here: <https://www.iow.gov.uk/azservices/documents/2053-Gurnard-v1.pdf> with further details at: <https://www.iow.gov.uk/azservices/documents/1390-Dogs-on-beaches-guide-WEB-VERSION-FORMAT-6may15.pdf>

**Electricity Outages: Gurnard.**

With fluctuating energy supplies in Worsley Road and Glen Place, I've been liaising with SEE. Although there were improvements once a generator was used, following power cuts I again chased SEE. Please let me know if issues continue

**Bathing Water.**

Throughout the Island following last month's flooding concerns continue to resonate regarding bathing water and by the fact that following storm the Government issues regular statements following flooding that pollution risk warnings have regularly been reported both at Cowes and at Gurnard. For details visit: <https://environment.data.gov.uk/bwq/profiles/>  
In response a meeting has been arranged to discuss concerns with Southern Water.

### **Island Planning Strategy: Have your say!**

Until 1<sup>st</sup> October, the Isle of Wight Council are consulting on the Island Planning Strategy, which is defined as the Planning Bible for the Island for the following 15 years.

Following feedback there are now targets for biodiversity gains from development, green spaces, support for dark skies, the Island's biosphere status and ensuring land is allocated for employment. Housing numbers have reduced from 1045 to 486 dwellings per annum, less ambiguity regarding settlement boundaries and a desire to prioritise affordable homes to local people.

Within the Strategy there are proposals that residents will welcome, whilst there are some- particularly the land allocations- that require further work and local engagement with residents and stakeholders. The purpose of the engagement is to listen, give meaningful feedback and to incorporate this into the next phase of the process. For further information please visit: [www.iow.gov.uk/planthewight](http://www.iow.gov.uk/planthewight)

### **Town and Parish Councils.**

At Full Council changes in accordance with priorities from the Alliance Administration were made to the Council's constitution resurrected voting rights to the IWALC (Isle of Wight Association of Local Council's) member on the Corporate Scrutiny Committee.

In addition, an IWALC member will join the IW Council's Planning Committee as a non-voting member.

### **Hedgerows and Weeds.**

The bird nesting season ends on 31<sup>st</sup> July. Following calls made please bear with Island Roads and Rights Of Way as they contend with trimming mammoth overgrown hedgerows over the coming months... In addition, I am receiving calls concerning weed growth. This follows concerns over use of Glyphosate on highways and cutbacks made in last years' budget. As an alternative crews are removing weeds by hand.

### **Planning Applications.**

As yet no decision notice has been served on a replacement dwelling in **Solent View Road**. In respect to this, I am advised that discussions remain ongoing between the applicant and the Planners.

Elsewhere a further application has been made to develop 7 dwellings on land to the north of **Gurnard Farm** in Lower Church Road (Ref: **21/01442/OUT**). A letterdrop took place to nearby residents and an extraordinary meeting of Gurnard Parish Council was called last month.

**SIFCA Meeting.**

I attended two meetings of the Southern Inshore Fisheries Conservation Authority (SIFCAA). Issues discussed includes the damage caused by Cruise Liners and Tankers to the sea bed when anchoring. In addition DEFRA are due to consult on highly protected marine sites this Autumn, whilst concern was expressed concerning the recent increase of 'fly shooting' from large European boats this spring/ summer. Within SIFCA after my first meeting, I was appointed to their Executive Committee who meets in Poole.

**Sanitary Products.**

Those seeking access to menstrual products can sign up for their free monthly coupon using the supermarket's app, Lidl Plus. The voucher can then be exchanged for a free box of sanitary pads or tampons, arriving on a monthly basis.

In addition, Morrison's are also supporting women and girls struggling to access sanitary products. For details go to the kiosk and ask for a package that Sandy has left. You will be given a FREE discreet bag with what you need no questions asked.

**Track and Tracing Test Kits.**

Although Freedom Day has been and gone, a number of agencies insist that residents are regularly tested. Please note Test kits for Track and Tracing are free and widely available from pharmacies.

**Traffic Orders.**

Thank you to everyone who gave feedback to recent Traffic Regulation Orders. These are being processed by traffic officers and will take at least until September to implement and where necessary amend. During the summer both Gurnard Primary School and I received complaints concerning anti-social parking on the Baring Road cycle lane.

Proposals to impose double yellow lines on the southern section of Princes Esplanade will be re-advertised following our new Council's abandonment of plans to impose parking meters on the seafront.

**Isle of Wight Council opening hours.**

A number of residents have approached me concerning the IW Council opening up buildings (namely County Hall and Seaclose). Please note that in most cases staff continue to work from home, and should residents require assistance they can still access support through calling 01983 821000.

If you are not receiving responses to your queries in a timely manner, please let me know and I will always follow up matters on your behalf.

## **THE PORTLAND INN**

**ALWAYS A WARM WELCOME**

**01983 243300**

The Portland Inn located in the heart of Gurnard Village, the pub has had a complete refurbishment now offering contemporary and comfortable surroundings for both drinkers & diners. The publicans Mark & Kim bring a passion to create a great local pub with a focus on serving superb food and drinks in a warm, welcoming atmosphere that you should expect from a village pub.

The Portland will offer a great selection of cask ales, beers, craft beers, ciders and selection of wines which will complement our menu

Join us for something to eat, well-cooked pub food is where we begin, with the addition of our Chef's daily specials keeping our menu interesting.

Our menu is about seasonality and great taste, with meals produced on the premises using as much local and seasonal produce as possible. Our talented Head Chef James Wooler builds his menus to include carefully sourced ingredients from Isle of Wight suppliers, his Chefs specials will change daily dependant on availability.

Many of our dishes have a lite bite option for smaller appetites.

We offer a private dining area that seats up to 20, whether its for a large group to eat from the menu or a special celebration our Head Chef will tailor a menu to suit your tastes and occasion.

We are a Dog friendly pub so you are welcome to bring in your well behaved four legged friends.

Dogs are allowed in the bar areas and must be kept on a lead at all times.

Get them to sniff out the treat jar for a doggie biscuit.
